NHS Forth Valley

v1.8

EYE PROBLEM?

These are unprecedented times. Due to the rapidly-evolving coronavirus (COVID-19) infection risk we are **diverting you to your optician**, who are now seeing eye emergencies, and have direct links to eye doctors via video link, allowing you to be examined remotely with a medical opinion, as needed.

You must phone your nearest Optician to arrange an appointment. Drop in appointments are not available.

Alloa

LA Hunter Optometrists
L.A. Hunter, 39-41 Drysdale St
